Mike:

Attached please find our review of CFAC's response to our comments to the Baseline Ecological Risk Assessment Work Plan and the Baseline Human Health Risk Assessment Work Plan. Note that we did not review the response to Brian's comments to the BERA work plan, or DEQ's comments. Erin could do so if you would like.

I have copied Brian Sanchez, David Berry and Dick Sloan on this email, so if anyone has any questions or comments on our review, please let us know. Again, we are targeting next Wednesday (February 28) for Mike to get these reviews back to CFAC in accordance with the schedule.
